Thanks Elaine. It looks like these updates didn't go through. Should I move the project by Ketellapper to the completed list since he got applications. If he doesn't end up selecting any applicants and would like to re-open that we could move it to the active list in the future.

Hello Noha,

I have extended the closing date for the projects submitted by Hamilton, Bloom, Serina and Campbell (NPDES Inspection Guide – the NEPA position received a application) until 7/12 per their request. I believe Ketellapper received applicants.

Thank you,

Hi Elaine and Sandy,

Please let me know when you will be able to update the status of these Region 8 projects. I really need to send out the materials for the Senior Champions meeting this afternoon at the latest.
